Pastabos

Drizzt Do'Urden, also called Drizzt Daermon N'a'shezbaernon, was a male drow ranger. He was an atypical drow who had forsaken both the evil ways of his people and their home in the Underdark, to become the legendary hero of the North. His handsome features were sharp and well proportioned and, like other drow, Drizzt's skin was black and his stark white hair was long, thick, and flowing. His eyes were a lavender hue (quite different from the drow race's typical red, even when he used his infravision, which normally caused eyes to glow red) and seemed to glow fiercely when he was angry or determined.
